Larry: We are planning to submit the Purchase Agreement as CBI, so we need to package it properly, etc, with explanation and need to coordinate internally. We anticipate that the State agencies may want to see it as well, so we need to coordinate confidentiality under the California Public Records Act. We don't want to put off the call at 11 am because we want to make sure you and Julie understand the essential structure and can do so through maps. This discussion will help you when reviewing the purchase agreement. Once we get it to you (later today or tomorrow), we can walk through any provisions. I believe that Chris Fennessy will soon be sending a package of maps and I believe he has invited Alex and Steve to join the call.

Larry and Bill,

Julie is unavailable until 11 am this morning. Would 11 am work for you?
